SMOW Volunteer Information

Many of the programs at St. Mary involve volunteering with and caring for children. All volunteers are required to be fingerprinted and attend the training "Protecting God's Children" offered in multiple locations and dates throughout Columbus. It is a mandatory program for all whom work or volunteer with children in our diocese. To register, please go to www.virtus.org. Click on "registration." Call Janet Conroy at 363- 4641 if you have any problems with registration.

Watch the bulletin for details or visit www.delawarestmary.org for more information.
