Each day kids will meet a different character that reminds them of the Bible Point and story of the day. Children K-5th grade are assigned to multi-age groups lead by a crew leader. Each crew will visit different sites for activities and story telling to teach them about God's love for us through drama, music, crafts and more. 4 year olds have their own version of VBS in a single classroom setting. We are excited about this year's Vacation Bible School, and know your kids will enjoy the non-classroom setting. God's blessing to you and we look forward to seeing you at Power Lab.

Please call Paula Reardon at 740-524-2302 with any questions. (thereardons1@verizon.net)

***** If you are volunteering all 5 days of VBS you will receive one child registered for free. Volunteer form must accompany registration to receive this benefit. *****
